AUSTRALIA

# THE SPIRIT OF CRICKET

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.

**The major responsibility for ensuring fair play rests with the captains,** but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

**Respect** is central to the Spirit of Cricket.

**Respect** your captain, team-mates, opponents and the authority of the umpires.

Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct and encourage others to do likewise.

Show self-discipline, even when things go against you.

Congratulate the opposition on their successes and enjoy those of your own team.

Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

# RESPONSIBILITIES OF CAPTAINS

CRICKET  
AUSTRALIA

It is the responsibility of **team officials** and/or **captains** from both teams to ensure that matches are played in the correct spirit in accordance with the **Laws and Spirit of Cricket** and at all times meeting the requirements set out in the **NCU Competition Rules and Playing Conditions**.

In particular, captains are responsible for:

- Ensuring each player is registered and has any necessary permit to play
- Inspecting the ground
- Team sheets are filled out properly and handed to the opposing captain prior to the toss
- All players are wearing proper attire
- Score books are properly maintained throughout the match
- Play starts and finishes at the scheduled time
- Ensuring the NCU Code of Conduct is adhered to by all players

# LAWS OF CRICKET

The game is played under the MCC Laws of Cricket (2017 Code 3rd Edition, 2022).

These are called **THE LAWS**

We also play under the NCU Playing Conditions.

These are called **THE RULES**. A RULE will override a LAW.

Every team **MUST** have access to a copy of the NCU Playing Conditions, either a printed hard copy or the ability to access them electronically by Smart Phone, Tablet or PC.

At a minimum the captain HAS to be conversant with these Playing Conditions.

# LAWS OF CRICKET – NO BALL

CRICKET  
AUSTRALIA

## Law 41.7 Bowling of dangerous and unfair non-pitching deliveries

Any delivery, which passes or would have passed, without pitching, **above waist height** of the striker **standing upright** at the **popping crease**, is unfair.

Whenever such a delivery is bowled, the umpire shall call and signal No ball.

Waist height is defined as the point at which the top of the batsman's trousers would conventionally be when they are standing upright at the popping crease.

The speed of the delivery is irrelevant.

If the umpire considers a non-pitching delivery, or a series of non-pitching deliveries, to be dangerous the umpire shall repeat the No ball signal to the scorers and then caution the bowler, indicating that this is a first and final warning. The umpire shall also inform the other umpire, the captain of the fielding side and the batters of what has occurred. This caution shall apply to that bowler throughout the innings.

Should there be any further dangerous such delivery by the same bowler in that innings, the umpire shall

- call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

# LAWS OF CRICKET – NO BALL

## **Law 21.10 Ball bouncing over head height of striker**

The umpire shall call and signal No ball for any delivery which, after pitching, passes or would have passed over head height of the striker standing upright at the popping crease.

**CRICKET**  
AUSTRALIA

# LAWS OF CRICKET – CAUGHT

## Law 18.11 Batter returning to original end

When the striker is dismissed in any of the following circumstances, the not out batter shall return to his/her original end.

- Bowled
- Stumped
- Hit the ball twice
- LBW
- Hit wicket
- **Caught**
- Obstructing the field, where the obstruction or distraction prevents the striker being out Caught

# LAWS OF CRICKET – DEAD BALL

## Law 20.4.2.12 Dead Ball

The new edition sees several changes to the Dead ball Law, the most significant of which is the calling of Dead ball if either side is disadvantaged by a person, animal or other object within the field of play.

From a pitch invader to a dog running onto the field, sometimes there is outside interference – if this is the case, and it has a material impact on the game, the umpires will call and signal Dead ball.

CRICKET  
AUSTRALIA

# LAWS OF CRICKET – WIDE

## Law 22.1 Judging a Wide

A Wide will apply to where the batter **is standing**, where the striker **has stood at any point** since the bowler began their run up, and which would also have passed wide of the striker in a **normal batting position**.

CRICKET  
AUSTRALIA

# LAWS OF CRICKET – THE BALL

## Law 41.3 – No Saliva

The new Laws will not permit the use of saliva on the ball. Using saliva will be treated the same way as any other unfair methods of changing the condition of the ball.

CRICKET  
AUSTRALIA

# PERMITS

Any player not named on the final nominations form prior to the start of the season must apply for and receive a new player permit before they are allowed to play.

It is the Captain's responsibility to ensure players have any necessary permit before they take the field.

Failure to attain a permit may result in disciplinary action by the NCU, including forfeit of the match result.

CRICKET  
AUSTRALIA

# PERMITS

New Player Permit – If the player was not named in the initial player list submitted for Final Nominations, a request must be made through the New Player Permit form

Existing Player Permit – If the player was named on the Final Nominations, or has an approved New Player Permit, apply for a permit to play in a lower grade using the Existing Player Permit form

CRICKET  
AUSTRALIA

# BEFORE THE MATCH

So that we comply with insurance requirements, both captains **MUST** inspect the field prior to play for any potential safety issues. This safety inspection must be done each day of a match.

Boundaries should be agreed and the boundary markers set out accordingly, ensuring they are located at least 2.7m meters from any fence, tree, light pole, pathway or other obstruction.

Team lists are exchanged prior to the toss.

A Toss is done not earlier than 30 minutes, no later than 15 minutes before the scheduled start of playing time. If a team is unable to toss at this time, that team shall be deemed to have lost the toss.

CRICKET  
AUSTRALIA

# TEAM SHEETS

Team sheets must be handed to the opposing captain prior to the toss.

Team sheets should show the proper names of all players.

Any player with a restriction (e.g. under age players) should be clearly marked.

For 2-day matches where a team is using the 'Thirteenth Player Rule', day 1 players and day 2 players should be clearly marked, as well as who they are replacing.

Final score sheets signed by umpires/captains

# SCORING

It is the duty of the Captains to ensure that the scorebooks are properly maintained, and that they match and properly tally at the end of each innings.

If the scorebooks do not match or properly tally, Captains should take time to examine the books to find out where any error has occurred, and to rectify that error.

If no appointed umpire is present, each Captain **must sign each scorecard**

If there is a dispute or disagreement regarding the scores, and after a reasonable amount of time to find and fix any discrepancies, the captains are still to sign the scorebook, with a note that they do not agree. This must then be referred to the Match Committee Chairman by 10:00am on the Tuesday after the completion of the days play.

# HOURS OF PLAY

One-day matches in turf grades:

12:30pm start

Change of innings scheduled from 3:05pm to 3:25pm (20 minutes)

Scheduled finish of 6pm

All other matches

1pm start

Scheduled change of innings/tea break from 3:20pm to 3:40pm (20 minutes)

Scheduled finish of 6pm

In 1-day matches, the tea break shall be taken at the conclusion of the first innings.

It is the responsibility of captains to ensure the rate of play is maintained such that all matches are finished by the scheduled close of play.

There should be **no excuse for matches finishing later than 6pm.**

CRICKET  
AUSTRALIA

# HOURS OF PLAY

If time is lost due to rain, lightning, heat, air quality, or other adverse conditions, **a reduction in overs shall occur.**

In the **first innings of a 1-day match**, 1 over is lost from each innings for every 7 minutes lost, or part thereof.

e.g. if 10 minutes is lost, each innings shall be reduced by 2 overs

10 minutes lost / 7 minutes per over = 1.4 -> rounded up to 2 overs lost

In the **second innings of a 1-day match**, or at any point during a **2-day match**, 1 over is lost for every 3.5 minutes of play lost

e.g. if 10 min is lost, the current innings of a 1-day match or the minimum overs required in the day for a 2-day match is reduced by 3 overs

10 minutes lost / 3.5 minutes per over = 2.8 -> rounded up to 3 overs lost

AUSTRALIA

# AFTER PLAY

Math results must be entered into PlayHQ no later than 10am Tuesday following the day's play.

Details that must be entered include:

- Team scores
- All player scores, including batting and bowling statistics
- Fall of wickets

Progress scores must be entered after the first day of a 2-day match, including player progress scores (i.e., bowlers, not out batsmen)

If scores and Match Report cannot be completed on time, a submission for extension must be made to the NCU PRIOR to the 10am Tuesday deadline to avoid any points loss.

Submissions for extension made after the 10am Tuesday deadline will only be considered in extraordinary situations.

## Reports of player or official misconduct

An official umpire or affiliated club may submit a report concerning misconduct. The report should be submitted to [ncu.reportssecretary@ncucricket.com](mailto:ncu.reportssecretary@ncucricket.com) setting out the full details of the alleged misconduct, not later than 7pm on the Wednesday after the day's play during which the alleged misconduct occurred. In exceptional circumstances, reports lodged later may be considered. The NCU may also act at any time on incidents of alleged misconduct based on information from other sources.

The Match Review Chairman (MRC) will email the report (edited, at the discretion of the MRC) to the reported club and will schedule a hearing.

Clubs may make a written response prior to or at the hearing, or accept an early guilty plea.

The MRC may impose any penalty. However, where possible, penalties shall be in accordance with the most recent version of the Cricket Australia Code of Behaviour (Appendix F). A reduced penalty will generally be given for an early guilty plea.

An appeals process is outlined in the NCU Playing Conditions.
